- Bed Bugs
- Pharaoh ants
- Wasps

Why choose Premium Pest Control?

We have been established since 1996 and growing year on year

We offer a professional service with uniformed technicians and fully sign written vans. We have all the necessary insurance cover.

We work for various government agencies, local authorities, housing associations, letting agencies and other well know companies.

We offer competitive rates for all our work, whether it is one-off or contract work for business premises. We have experienced technicians who have dealt with problems in a range of premises over the years from a bed-sit to a mansion, from a corner shop to a factory.

We are members of the National Pest Technicians Association and all our technicians under go regular on-going training by attending seminars and training days run for our industry.

Other services

- We are also **licensed waste carriers**, so we can do clearance work as well, whether it is garden clearance or house clearance, clearing up after squatters, vandals, repossessions or indeed carrying out a heavy duty clean up after a death has occurred.
- We also have a team that carry out **graffiti cleaning**. This is priced individually depending on the size of the graffiti. Give us a call for a fast 24 hour response to anything offensive that has to be removed.

Before and after
